The Peninsula Dog Walkers Association was formed to protect and maintain the leash-free dog beach at Cameron’s Bight, Sorrento. After a prolonged battle it was agreed with the Mornington Peninsula Council and the White Cliffs - Camerons Bight Foreshore Committee of Management that the beach is leash-free 24 hours a day all year, except between December 26 and March 1, when dogs have to be on-leash between noon and 7pm.

Due to an overwhelming number of requests from our members the PDWA is now lobbying to extend the leash-free area to the Blairgowrie Yacht Squadron jetty.
